   B No, look, it's not open on Sunday.

P _____ /6 points (2 points each)

Q Read Greg's email. Then circle the five true statements.

FROM: Greg Evans
TO: Erin Lee
SUBJECT: Art class
SENT: 11:48 p.m.

Dear Erin,

I'm sorry this email is so late! I never have any free time on Mondays! Yes, let's meet and work on my paper for art class together tomorrow. But when?

I'm really busy tomorrow, too. I work from 6:00 to 11:00. (I'm a server at Copper Café, and the breakfast hours are really crazy!) Then I have a chess club meeting from 12:00 to 1:30. But luckily, I don't have my afternoon class tomorrow. My teacher has a meeting out of town. So let's meet tomorrow at 2:00. Is that OK?

My paper on the Louvre Museum needs a lot of work! There's some great information about the Louvre on the Internet. (You speak French, right? Some of the web pages are in French, and I don't understand them.) There's a computer in Room A-13 at school, and it's quiet there, too – there are usually only a couple of people in there. So let's meet there and find the information. OK?

By the way, can I borrow your notes from class on Friday?

Thanks again for all the help!

Call me! 212-555-0098

Greg

a. Greg isn't busy on Mondays.
b. Greg works on Tuesday mornings.
c. Greg works until 10:00 at a restaurant.
d. Greg is in a chess club.
e. Greg has class at 2:00 tomorrow.
f. Greg needs information about the Louvre for his paper.
g. Greg doesn't speak French.
h. Room A-13 is usually very noisy.
i. Greg asks Erin for an answer by email.
j. Erin and Greg are in the same art class.

Q _____ /10 points (2 points each)
