When the weather is good, Kathy sings and plays her guitar in Central Park. She is very good, and lots of people stop and listen to her. Kathy goes to a lot of auditions because she wants to be a professional singer one day. She's also using her laptop to make a CD of her songs to send to all the music companies in New York.

Marc Dubois is from Switzerland. He's 19 and he's studying computing at New York University. He has classes during the week, and he works in an Italian restaurant on the weekend. At the moment Marc's living in an apartment near the university, but he's looking for another place to live. His apartment is nice, and from his room he can see the Hudson River. However, it's expensive. Marc thinks New York is a great place, but he doesn't like the cold winter days. Luckily, there are lots of things that people can do here when it's cold!

Jamie Chandler is 27, and he's from Australia. He's traveling around the world, but now he's in New York. He's working as a New York City guide. Jamie's mom is Japanese, so he speaks Japanese well.
