A fantastic hotel

Last summer, my wife and I were in Las Vegas for a week. For the first five days, we were with our friends, Jimmy and Diane. They live in Las Vegas. For the last two days, my wife and I were in a beautiful hotel. It was the Venetian Resort Hotel on the Las Vegas strip. The Venetian is modern, luxurious, and very big! There are 7,000 rooms and suites in the hotel, and there were three TVs in our suite – one in the bedroom, one in the living room, and one in the bathroom.

You can find everything at the Venetian. There is a casino in the hotel and there are 17 restaurants. Our first dinner there was at the Bouchon restaurant. It was fantastic – but very expensive!

The hotel is really great! There is a small lake near the entrance, and on the fourth floor there are three swimming pools and a spa. On the second floor, there is a big shopping center with canals and gondolas. We went on a gondola. I thought I was in Venice!

There are a lot of things to do at the Venetian. You can visit Madame Tussaud's Wax Museum with statues of famous Hollywood actors. You can go to the nightclub or to see at show at one of the theaters. There are three of them! We weren't interested in the wax museum or the nightclub, but on Sunday evening there was a great show at the Blue Man Theater, and an art exhibition at the hotel's art gallery.

Example: They were in Las Vegas for seven days.

- There is a spa on the _____ floor.
- You can ride on a gondola on the _____ floor.
- There are _____ restaurants in the hotel.
- There are _____ theaters in the hotel.
- In a suite at the Venetian hotel, there are _____ TVs.
- In the museum were statues of Hollywood _____.
