5. F

Oral Test

A **Student B's own answers**
Sample answers:

1. Yes, I think so. It has helped us communicate with people all around the world and find information quickly.

2. I wish I hadn't quit taking piano lessons. If I hadn't quit, I might have become a professional pianist.

3. I consider the microwave oven a very useful thing. It heats and cooks things quickly, and it saves us a lot of time.

4. I usually get along with everyone, but I like people who are open-minded because they don't judge me.

5. I'd research the company myself, but I'd have someone else help me decide what to wear. I am not very decisive.

6. I think I'll be living here. I really love this place, and I don't want to move.

7. Yes. I try not to use harmful products. / No, not really. I don't know what I could do.

8. Yes. The Garden Club is planting flowers at the elementary school. / No, I don't know if anything is being done, but I think the streets need to be cleaned more often.

B **Student A's own answers**
Sample answers:

1. Yes, I do. They help us keep up with our friends and family wherever we go. / No, I don't. They make it impossible to relax.

2. I didn't apply for a great job in New York. If I had applied for it and gotten the job, I would have moved there and done a lot of exciting things.

3. I consider my mom a very careful person. She thinks of all the details before she does anything.

4. I usually look up to people who are serious about their work. I always learn something from them.

5. I'd write and format the résumé myself, but I'd have someone else proofread it. I'm good at proofreading, but sometimes it's hard to see your own mistakes.

6. I think I'll be teaching at a college in ten years. I want to be a professor by then.

7. Yes. I don't buy plastic bottles, and I recycle paper and glass. / No, not really. It takes too long to shop for products in recyclable containers.

8. Yes. I know that an arts center is being built downtown. / No, I don't know. I think the city council should create a big park and bike lanes.

C/D **Useful phrases**
If your students need extra support, provide them with some of these useful phrases:

- I think / don't think people would support it.

- I think it would make people's lives better because [they would be healthier].

- I don't think it would make people's lives better because [we don't have any employment problems here].

- I think it would have a positive impact on the environment because [people could recycle things more easily].

- I don't think it would have a positive impact on the environment because [it would use too much water].

- I think it would be easy / hard to make this happen because [people would volunteer / it would be too expensive].
