## Test B

**A** Listen to the people talking. Check the correct answers.

SERVER: Good afternoon. May I help you?

ELIZABETH: Yes, please. I'm Elizabeth Mandel, and I'm meeting my husband here at the restaurant. His name is Jason. Has he arrived yet?

SERVER: I'm not sure, Mrs. Mandel. What does he look like?

ELIZABETH: Well, he's tall, with dark hair and a beard.

SERVER: I think I saw two men with beards. Does he wear glasses?

ELIZABETH: No, he doesn't.

SERVER: Oh, I know. He's the man sitting by the window in the next room. Follow me.

ELIZABETH: OK. Thanks.

**B** Listen to Victor talking about his plans for the future. Check the correct answers.

VICTOR: My plans for the future? I'm not really sure. You see, I just left this job that I had for almost ten years. I'm looking for a new job, but I don't want to take just *any* job. I'd like to find something that I will really enjoy doing. I've always wanted to paint, but I never really had the time to try it. So, maybe I'll go back to school and take a few art classes while I'm looking for the right job.
