## Test A

**A** Listen to Angela and John talking. Check the correct answers.

ANGELA: Hi! I'm Angela. Do you come here often?

JOHN: Yes, I do. I like to lift weights at least three days a week.

ANGELA: Oh, really? Do you do any other kind of exercise?

JOHN: Well, I go jogging a couple of mornings a week in a park near my house. What about you?

ANGELA: Well, you know, I don't really like jogging very much, but I need to do something. So I just come here to lift weights once or twice a week.

**B** Listen to Nora and Ben talking. Check the correct answers.

NORA: Ben, how are you? How was your vacation in Mexico?

BEN: It was great. We had a wonderful time.

NORA: Did you go to Mexico City and Acapulco?

BEN: No, we didn't. Everybody goes there, and we wanted to avoid the crowds. First, we spent a few days in Oaxaca. Then we flew to Puerto Escondido and spent some time on the beach.

NORA: Did you enjoy that?

BEN: Yes, I did. I got a little too much sun, but I enjoyed surfing and relaxing on the beach!
