## Units 3–4 [Track 3]

**A** Ann and Ben are talking in a clothing store. Listen and check the correct answers.

ANN: Hey, those sweaters look nice. What do you think, Ben?

BEN: Yeah, Ann, they do look nice. I really like the blue ones.

And the green ones are nice, too.

ANN: Which ones do you prefer?

BEN: I think I like the green ones better. They're very stylish. Oh, but look at the price – \$41. That's expensive!

ANN: The blue ones are only \$29. That's more reasonable.

BEN: But they're cotton. The green ones are made of a better material. They're wool.

ANN: Say, Ben, what size are you? Small or medium?

BEN: I wear a medium.

ANN: Let's see. . . . There aren't any medium ones in blue. They're all large or small.

BEN: Well, then it's the more expensive sweater for me!

ANN: That's good. You like it better anyway. And here it is in a medium!
