

A: Listen and fill the gaps.

Teacher Felipe, do you feel you're making progress with your English?

Felipe Well, I understand English, but my vocabulary needs to so that I can understand a wide of subjects, and express more ideas.

Teacher Mm. And how about speaking – is that getting better?

Felipe I'd like to be more when I'm speaking, and be able to talk about things in more . And I need to get better at using appropriate language when I speak.

Teacher Yes, I know what you mean. And your reading – is that going well?

Felipe Well, I can understand general things, but I want to read texts that are to my work, and some of these quite specialized language.

B: Fill in the spaces with the words below.

encouraging aware obvious while express accurately
progress enthusiastic

When I started learning English, I was very and motivated, but I found the pronunciation difficult and people couldn't always understand me.

After a my pronunciation improved and I was able to basic ideas quite effectively. It was that I was getting better, and that was very .

But at intermediate level, I made slower . There were so many new words and phrases, but also words that I understood but couldn't use . I think I was more of my mistakes, which was good - but also frustrating.
