Alison: Hello, I'd like some information about trains to London, please.

B: Where are you travelling from?

Alison: Whitebridge

B: Is that for today?

Alison: No. It's for Thursday.

B: And what time do you want to travel?

Alison: Well, I need to get there by 10 a.m.

B: So you'll want to arrive about 9 o'clock.

Alison: That sounds about right.

B: OK ... if you get the 8.40, that will get you to London at about ten to nine.

Alison: The 8.40 train. OK, yes, that's perfect. How much is a return ticket?

B: Are you coming back on the same day?

Alison: Yes

B: Are you under 16?

Alison: Yes, I am.

B: That'll be £15.

Alison: Fine. Many thanks for your help.

(Sample answer):

Commander Cormack and one of the monkeys from Pluto got into the spacecraft. With a whoosh the spacecraft took off. Suddenly there was an explosion in one of the engines. The spacecraft came to a stop. 'Oh, dear,' said Commander Cormack. 'What are we going to do now?' 'I can help,' said one of the monkeys from Pluto. Commander Cormack gave the monkey a spacesuit. The monkey went outside the spacecraft and mended the

engine. The spacecraft was able to continue on its journey. When they reached Earth, the monkey was given a medal for its bravery.
