Instructions: Read. Then decide whether the underlined part of each statement is T (true) or F (false). Correct the false information.

My Week

From Monday to Friday, my routine is always the same. I get up at 6:00 and go to the gym to exercise. I come back home, take a shower, get dressed, and then eat breakfast. I always catch the bus near my house at 7:40 to go to work. I arrive at the office at 8:15 and start work at 8:30.

I am an engineer, and most of the time, I work in the office. I draw plans for machines. Sometimes my coworkers and I eat lunch out of the office, but usually we stay in.

In the evenings, I usually eat dinner and then watch TV. Sometimes, I go to the movies on Wednesday nights with my good friends. On Friday nights, I usually go out to dinner with them.

Weekends for me are usually the same, too, but sometimes I go to the beach or play tennis. One thing I always do is go to my German class. I have class every Saturday morning from 8:30 to 10:00.
